OCEAN REPUBLIC BREWERY PARTNERS WITH ARC OF MARTIN COUNTY

"Drop-in Beer and Burger Fundraiser April 9, 2021 at Ocean Republic Brewery"

MARTIN COUNTY, FL – In collaboration with local entities to fundraise for area nonprofits, Ocean Republic Brewing Company (ORB) is excited to announce their very first nonprofit brewing affiliation of the Collaborative Brew Series 2021! On March 18, 2021, the ARC of Martin County (ARC) President/CEO, Keith Muniz, and about seven ARC staff reported for duty at ORB, leading a team building exercise to learn about and participate in the process of beer brewing! Along with Chris Cischke, owner/operator of ORB, ARC staff assisted in the making of a Blonde Ale, from milling the grains, adding them to the mash, learning how to control the temperature of the brew, and the various remaining steps that turn water, grain, yeast, and hops into beer!

Join us on April 9, 2021 between 4 PM & 8 PM for the Kickoff Party at ORB where ARC's beer will be unveiled to the public! Drop in to say hello, try the beer and/or, for only \$40, your donation will include a generous donation to ARC, 2 Beers (any flavor), either an ORB Burger or Chicken Sandwich PLUS 2 entries for various raffle prizes that will be drawn at the end of the evening! And, for as long as it lasts, \$1 of every ARC brewed beer sold will be donated, providing funding that allows ARC to continue providing multi-level services and programs to over 400 children & adults across the Treasure Coast with intellectual and developmental disabilities. Tickets for the \$40 fundraiser are available for pre-sale at on ORB's website, click on Collaborative Brew Series, or at the door on April 9th.

The ARC of Martin County, (Advocates for the Rights of the Challenged) is a 501(c)(3) non-for-profit organization dedicated to empowering children and adults with intellectual and developmental disabilities to achieve their fullest potential through residential, vocational, educational, behavioral, and other healthcare services.

"Our goal", said ARC President & CEO Keith Muniz, "is to provide support, assistance and training that will enhance the abilities for children and adults with disabilities to thrive each day and achieve their fullest potential. Only with the support from our many wonderful partners, donors, and volunteers are we able to provide the many services and supports that we do." Muniz said. "Thank you to Ocean Republic Brewing and the community we are so blessed to be a part of."
